

Synchronized Analog Wall Clocks

Highlights

- Accurate to 1 second in 20 years (2 ppb)
- Clocks include multi-processor movements
- Factory synchronized with the Atomic Clock
- No expensive master clock required
- Automatic Daylight Savings change (if enabled)
- Automatic Leap Second correction (if enabled)
- Includes 20 year backup battery that maintains the correct time during a power interruption
- Supports all world time display rules
- Ideal replacement for wired synchronized clocks
- Factory configured, no further configuration required
- No GPS, network connection, sync wire or radio required to receive time
- Quick correction for time changes (max 4 minutes)
- Ideal replacement clock for expensive to maintain clocks
- Energy efficient:
 - 1 watt
- Power options include 100-265 VAC & 12-14 AC/DC
- No custom back box required
- Security mounting bracket hardware available
- Assembled in the U.S.A.
- Patents Pending
- No FCC license required

DuraTime HP Synchronized Analog Wall Clocks

Specifications

Time Base:	Oven Controlled Oscillator (OCXO) Accurate to 2 parts Per billion (2 ppb)	Dial Plate:	Polystyrene (non-water absorbing)
Power Input:	100-265 VAC (50-60 Cycles) 12-24 AC/DC	Security Bracket:	Steel, punched for single gang electrical box or surface mount
Power Consumption:	1 Watt	Installation kit includes:	1 - security mounting bracket 2 - screws 2 - plastic universal anchors
Display:	12 and/or 24 hour format	Case:	ABS plastic or Aluminum
Color:	Black or Brushed Aluminum	Lens:	Shatterproof polycarbonate

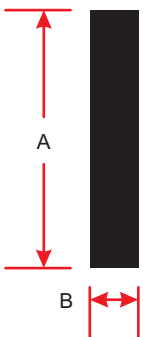

Ordering Information

Single Sided Analog Wall Clocks

Model	Description	MSRP
HP12P	12" Plastic Analog Clock	\$179.00
HP15P	15" Plastic Analog Clock	\$195.00
HP12A	12" Aluminum Analog Clock	\$191.00
HP15A	15" Aluminum Analog Clock	\$209.00
HP22P	22" Plastic Analog Clock	\$245.00
HP12P-2SB	Double Sided 12" Plastic Analog Clock	\$427.00
HP15P-2SB	Double Sided 15" Plastic Analog Clock	\$459.00
HP12A-2SB	Double Sided 12" Aluminum Analog Clock	\$451.00
HP15A-2SB	Double Sided 15" Aluminum Analog Clock	\$487.00

Options

- Double sided bracket (12" & 15" models only)
- Security brackets available (12" & 15" models only)
