Dear Valued Customer:

Thank you for your recent business. As you know, you are required to purchase an FCC license for the equipment that you are operating. Information for FCC applicants is public knowledge. It has recently come to our attention that several bogus companies, currently using the name "Business Radio Licensing", "Federal Licensing, Inc." and possibly many others have been sending letters out to our customers.

These companies are asking for money to be mailed in. Please do not send any money nor correspond to this company. It has been identified as a false letter. You should only receive information from BRG or the FCC. We take the necessary steps to obtain your FCC license. If you have any questions, please contact Mike Mitchell at 800-295-0220, ext. 204

Regards,
Mike Mitchell
