**EasyPage**   
Wireless FRS Paging Speakers

**Low Cost, Easy Install**

The BRG Wireless Indoor Paging Speakers are a perfect way to add a public address system to a facility without the expense of adding costly wiring. The speaker features a highly reliable BRG FRS UHF radio receiver allowing you to make live audio announcements throughout your facility with any FRS UHF Band walkie talkie.

Simply mount the indoor speaker housing in a location where you need a PA speaker and plug it into 110 VAC power with the provided AC adapter. The speaker is activated with a FRS two-way radio set to the correct channel and sub-carrier.

Each speaker comes with:

- Volume adjustment knob
- Wall mounting bracket
- Battery power backup (batteries not included)
- 110 VAC power cord

Model # FRS-2WAY

Model # FRS-D

BRG offers the Retevis FRS 2-Way Radio and the Wuloo 2-Way Wireless FRS Intercom to page BRG FRS speakers.

The Wuloo Intercom allows you to page the 2 Way Radios separately from the speakers or page the 2-way radios & BRG FRS speakers at the same time.

Add as many 2-way radios, intercoms and speakers as needed to cover your facility.

Purchase 2 or more EasyPage Speakers and get a free Retevis 2-Way Radio with your purchase.

Model # FRS-B

Model # FRS-W
